RECITAL INFORMATION | 2024

HAIR/MAKEUP/COSTUMES

COSTUMES

Please make sure costumes are hung up and stored in a safe, dry location. We are unable to get replacement costumes, should anything happen.

Please make sure you keep all accessories with the costumes as well (if applicable).

Tights are for sale at the studio for anyone who needs them! \$15 each.

HAIR

Dancers with long hair should have their hair secured in a tight and secure low braided ponytail (middle part if applicable) OR a low bun (middle part if applicable).

If you need assistance, we can send over a tutorial.

****Low braided ponytail (with middle part if applicable) is recommended.**

*Dancers in Kinderdance/tumble tots and level one classes, whatever hairstyle you can get your tiny dancer to agree to is perfect! Please just make sure it is neatly styled and out of their face.

ALL BALLET CLASSES (with the exception of Kinderdance) should have their hair in a low bun. Twisting your braided ponytail into a bun is very much accepted and encouraged for dancers in multiple classes.

HAIR/MAKEUP/COSTUMES (CONTINUED)

MAKEUP

Stage makeup is *recommended* for all dancers! The lights will be very bright, and will wash dancers of all skin tones out! We recommend brown/gold eyeshadow, mascara, (fake lashes for older dancers), light blush, and a maroon, dark pink, or red lipstick. You can follow the tutorial below for guidance!

Younger dancers also love this part of getting ready for show day :)
