## **TUITION:**

Tuition is calculated PER YEAR, NOT PER MONTH - from September through June. For the convenience of our clients, we charge the tuition monthly. The number of times a class meets per month will vary between 3 and 5 times. There are no discounts for months that only have 3 classes in them as in the end they all meet approximately the same number of times throughout the season. There are no discounts for missed classes or snow days.

ALL accounts must be fully paid (aside from upcoming Summer events) in order for a dancer to participate in recital.

Should your child decide to drop out of a class, please provide written notice through email. Please send an email to [info@fiercedanceacademy.com](mailto:info@fiercedanceacademy.com) if you are withdrawing your student from a class.

NO costumes will be ordered without the costume fee paid. Anyone who pays after February 16th will also be responsible for paying an additional \$20 for individual costume shipping.

MEASUREMENTS for Costumes will be taken by instructors during classes.

Measurements are taken true to size and if a child's measurements fall in the beginning to middle of the size on the size chart, they will be ordered that size. If their measurements fall at the end of the sizing chart, we will go up a size to allow for growth. If a student receives their costume with the correct size from the sizing chart but you feel they need a smaller/bigger size, you will be required to pay a \$20 exchange fee.
